

**Drivers and Other Volunteers URGENTLY Needed
for
Shepherd's Center of McClean-Arlington-Falls Church**

The Shepherd's Center of McLean, Arlington and Falls Church continues to accept new clients needing transportation to and from medical appointments.

On January 1, 2014 a local charity ended its transportation program, and the Shepherd's Center added that agency's clients to its own rolls of local residents receiving transportation services. To meet their needs and the needs of other new clients, the Shepherd's Center is seeking new volunteers to drive clients to and from their medical appointments.

Recently the Shepherd's Center has lost several drivers who have moved out of the area. The void they leave is particularly severe in south Arlington and the lower half of Falls Church.

If you are able to volunteer your services as a driver on a part-time basis, please contact the Shepherd's Center at (703) 506-2199 or via e-mail at info@scmafc.org .

The Shepherd's Center also seeks volunteers as

- handy helpers
- event organizers
- program coordinators
- callers and visitors to shut-ins, and
- fund raisers

If you might be able to help in any of these capacities, please contact the Shepherd's Center at (703) 506-2199 or via e-mail at info@scmafc.org .
